

Hello Everyone,

June is a busy month in an elementary school. Our students have begun attending field trips preparing for exams and finalizing projects. Our “Grade 8 Farewell” is on June 25<sup>th</sup>, where we will celebrate their transition to the high school with a small ceremony followed by a BBQ.

Our Garden is planted and we will be recruiting families to help us water over the summer months. We have planted potatoes, carrots, peas, beans, squash, and pumpkins. Our hope is to use what is grown over the summer will be used to make a school stew. Stay tuned for an invitation to help us water the garden this summer.

We hosted our 10<sup>th</sup> annual Lady Bug foundation Garage sale where our community donated items, which were sold, all proceeds were turned over to help the homeless and over \$700 was raised this year. Special thanks to all of our staff, students and community members who made this possible. We are so proud of our students who participated in Jump rope for heart in May, which raised \$5979.40! On May 27<sup>th</sup> our 5-8's went on a fieldtrip to Camp Manitou, it was a blast.

Track and Field has begun and students are practicing running, jumping and throwing events every day and our students are looking forward to the final meet on June 3<sup>th</sup> at Stonewall Collegiate Institute. Tabloid day is June 26<sup>th</sup> this year and we look forward to playing games and participating in competitions, it is always a great event. We have invited the fire department who will do a “Smoky house” demonstration and they will also participate in our school wide water fight! This year was a great success for us at WES and it was through the support of our Parents, Students and Staff who committed themselves to our school and its students. I would like to thank our PAC for putting on Movie Nights, hot lunch and supporting our school in so many other ways, you have truly made WES a great place this year!

We will be hosting a special welcome to kindergarten night on June 11<sup>th</sup>. All parents who have registered their children in Kindergarten for the 2019-2020 school year. **If you know of any children who may attend WES in Kindergarten next year please let them know about this event and encourage them to register if they have not yet done so.** Remember to follow us on Twitter @wesevents to see how much fun we have every day!

### **Jump Rope For Heart**

On behalf of the Heart and Stroke Foundation we would like to thank all students who participated in the Jump Rope For Heart event on Friday, May 17th. Your campaign to collect pledges for the Jump Rope For Heart totaled an incredible \$5,975. 40. We are very proud of your dedication and hard work for this worthwhile cause.

Also, a big thank you to the staff for your cooperation and to the Grade six students who helped on event day.

Lastly, a heart-felt thank you to all our supporters, through your donations you are helping to fund health promotion programs and world-class research in the elimination of heart disease and stroke in Manitoba.

Thank you for your support!

## **Grade 3 Class Garage Sale**

The Grade 3 class was involved in The Ladybug Foundation Program that teaches young children to get involved and make change in their community. On Friday, May 17th the Grade 3 class hosted a garage sale in the gym and raised just over \$700.00. The monies from the garage sale will be donated to Siloam Mission. We would like to thank everyone for their generous donations to our garage sale and for supporting this worthwhile cause. You allowed us to reach our goal of making a “difference” in the lives of others.

Thank you Warren!

## SHOW & SAVE

### MOBILE APP

Our Parent Council will be raising money this September by selling Show & Save.

The Show & Save App has exploded in popularity. The simplicity and convenience of it, along with the growing number of cool features has helped people to save more money than ever before.

You can flag your favourite coupons, keep track of coupons you have redeemed, see nearby savings as well as search for businesses by name and keywords. It gets better, new businesses are joining all the time. For only \$25 you can experience endless savings with Show & Save.

Sell even more! With their online ordering feature your friends and family can still buy Show & Save without you even seeing them. The best part is when they enter our Fundraising Code our school still profits from the sale. More great news! You don't have to see the people purchasing online because they are automatically emailed their App Activation Code. How easy is that!

By purchasing your Show & Save from us, you will be supporting our School while at the same time saving your family a lot of money.

Spread the news!
