September 6th, 2019

Dear Parents/Guardians:

Your son has expressed an interest in playing volleyball on the boys' volleyball team. This year we will be having a grade 6/7/8 team. We know that some of the players do have other commitments (and may not be able to make some of the games and/or practices. It is important for students to let us know in advance if they are going to be missing a game or a practice so we can make sure that our team has enough players to play.

Playing volleyball on the school team is a privilege. The boys playing on the team are expected to keep up with all of their assignments and display respectful behaviours both in and outside of the classroom. I will be in consultation with all teachers on a regular basis regarding academics and behaviour. Outstanding assignments may need to be completed before students are allowed to play. Students who have been identified as having behavior concerns on more than two occasions between games will see their game privileges lifted for the next game. If this occurs a second time, the player may be removed from the team.

Normally the volleyball team has only been an option for grade 7 and 8 students. This year however, we would like to invite the grade 6's to practice with the team to develop fundamental skills. Depending on numbers, the grade 6's may not be able to attend all the games, but we if possible, depending on numbers, we would like to give the opportunity for grade 6's to come to some of the games. We will do our best to make court time fair throughout the season as this is a developmental team. For the month of September, we will be having Tuesday and Thursday practices and games will begin in October. A calendar of games will be sent out at the beginning of October.

We are looking forward to a fun and productive season with the boys.

Ms. Timmermann and Mrs. Clark
