Dear Parents/Guardians,

Your daughter has expressed an interest in playing on the girls' volleyball team this year. This year's team will be a combination of grade 7 and 8 girls.

Playing volleyball on the school team is a privilege. Students playing on the team are expected to keep up with all of their assignments and display respectful behavior, both in and outside of the classroom. I will be in consultation with all teachers on a regular basis regarding academics and behaviour. Outstanding assignments may need to be completed before students are allowed to play. Students who have been identified as having behavior issues on more than two occasions between games will see their game privileges lifted for the next game. If this occurs a second time, the player may be removed from the team.

I look forward to coaching your daughter this year and making it a fun, learning experience. Fair play will be in place for regular season games. Fair play does not always mean equal play. Athletes who show up with a positive attitude, enthusiasm and energy, effort, and an encouraging attitude towards teammates will be rewarded with court time. At tournaments, including Divisionals, court time will be given to all players, however, because they are competitive tournaments, some players will receive more court time than others. If you have questions or concerns about this, please let me know.

I understand that some players do have other commitments and may not be able to make some of the games and/or practices. It is important for athletes to let me know in advance if they are going to be missing so we can make sure that we have enough players for a game or practice.

We will require parent volunteers to provide transportation to our games. More details will be coming about our upcoming schedule, which includes practices, games, tournaments and Divisionals. Just a heads up that Divisionals for girls is on November 26<sup>th</sup>, and is at WCI this year.

Please sign the attached permission slip and return to the school as soon as possible. A schedule with all of our practices, games, and tournaments will be coming out shortly.

Sincerely,

Mrs. Olson
