Please note the full newsletter can be found on the school website at we.interlakesd.ca

Hello Everyone,

Spring has sprung and our students are enjoying soccer games and playing in the sunshine.

Our Students are currently growing Tomatoes, Peppers, beans, squash and many other plants which we hope will find their way to our School's community garden. Our Grade 6 Class is also hatching Chicks, and we have shared their growth and development on a TEAMS feed. Today we posted a video of one of the chicks moving inside the egg, check it out on twitter @wesevents. In June we will be asking for volunteers in the upcoming weeks to help us tend to our school's community garden.

WES @WESevents · 25m
Our grade 6 students are excited to see their baby chicks move. This video shows a foot moving. They are due to hatch any day!

We recently celebrated Earth Day with a virtual assembly about sustainability, and a community cleanup, it was nice to see all of our students pitching in to make the Earth look beautiful.

WES @WESevents · 20h
Our Middle years students enjoyed a meeting with special guest, Mrs. Ellen Potter a children's book author! Among other books she is the Author of Slob, Otis Dooda, The Kneebone Boy, and the Hummingroom.

Our Middle years students enjoyed a meeting with special guest, Mrs. Ellen Potter a children's book author! Among other books she is the Author of Slob, Otis Dooda, The Kneebone Boy, and the Hummingroom. The WES Kindergarten program is looking for registrations for next year. If you know anyone

who has a child not registered for kindergarten yet, please share our contact information with them and encourage them to register.

We have also been notified by Startingblocks that effective June 30th this year that they will no longer be providing before and after care at WES, we have enjoyed our relationship with them for many years and are looking for a community partner that may be interested in providing this service for our community.

Thank you
