

Grade 4 School Supplies

2023/2024

This 2023/2024 school year in Grade 4, classroom supplies will be purchased for the students by the homeroom teacher. This allows for community supplies of the same type and quality to be used. The classroom supply fee will be used to purchase various materials throughout the year as needed. Please forward or bring a cheque on the first day of school in the amount of **\$60.00**. This will include the basic classroom supplies for the entire school year.

Please make cheques payable to Warren Elementary School for \$90.00 per student.

Additional Supplies:

- Backpack
- Indoor runners/shoes
- Headphones (labelled and can be stored in backpack or classroom)
- Phys Ed. clothes (shorts, sweats, t-shirt, and storage bag to be stored on hook outside the classroom)
- Old shirt for painting or art activities (labelled and will be stored in backpack or hook outside the classroom)

In order to promote sustainable ways of communication this school year, there will not be assigned agendas. Information and messages will be forwarded by email or telephone. When necessary, the school or teachers will send out information via paper along with an email. If you have any questions or concerns, please feel free to contact myself or the school. Have a fantastic summer and see you all in a few months!

Thank you so much,
