

# January 2024 Reflection

Hello Warren Elementary families!

These are a few of the highlights from the month of January:

## Basketball Season has Began

Our boys team has had a good start to their season with a close game against Grosse Isle and a win over Balmoral. The girls team will have their first games coming up against Grosse Isle and Stonewall next week. Go Wild!

## Grade 7 & 8 Ski Trip to Assessippi

The Grade 7 & 8 students enjoyed beautiful weather for their ski trip! All students whizzed through the lessons on the bunny hill and were onto the bigger slopes in no time! It was great seeing them have fun together!

## Grade 1 to Grade 4 Field Trip to Manitoba Museum & Planetarium

The Grades 1 to 4 students checked out the Manitoba Museum and the show "Legends of the Northern Sky" at the Planetarium. Students learned so much about Canadian history through the amazing and interactive displays at the museum!

## Mental Wellness Awareness Week

Staff and students enjoyed a school-wide focus on Mental Wellness this month. We welcomed guest instructor Candace Csordas, who led us through yoga and zumba sessions. Staff led stations where they promoted strategies that they use for their own well-being. We also enjoyed a whole-school walk, in which the mild weather was an extra bonus!

## WEPAC Night Out Draw for Jets Tickets & Supper at the Keg

Raffle tickets went home with students for the WEPAC Night Out. The draw will be held on Monday, February 12. Please have tickets returned to the school no later than that morning!

Good luck and thank you in advance for the support!

I hope everyone has a great month and look forward to updating you at the end of February!

Mrs. Ivany
